Wheat threshing is about over and farmers are going to town with their wheat; that which they do not keep at home to feed their hogs.

Eugene Bullock, who has been afflicted for some time, went to Cincinnati last week to be operated upon. Mr. Bullock has our sympathy in his suffering; also congratulations that he may obtain aid.

The protracted meeting which is being held by Revs. Hendrick, Grant and Brown has been a glorious one. They have not had many additions, but we feel that it is a meeting we have needed for some time.

John Delinger is a candidate for Constable in this precinct. Now, how can we help from voting for Mr. Delinger, Republican and Democrat, when he is a man of the experience that he is when he has served four years in Ohio as Constable.

Your correspondent happened at the scene of one of the most bloody and heathenish fights last Saturday that has been seen in a decent neighborhood like this for many days. There was a "Grand Picnic" in the beautiful grove of Uncle Bob Mastin when the toughs of Cabin Creek and the surrounding country met and engaged in their usual mode of amusement. The result was that one man, Adams, was badly cut and another man, Adams, was thought to be shot, but we could not learn, no physician being present. The whole "picnic" was engaged in the melee, and after the ball all that was able went home.

"My little boy was very bad off for two months with diarrhea. We used various medicines, also called in two doctors, but nothing done him any good until we used Chamberlain's Colic, Cholera and Diarrhea Remedy, which gave immediate relief and soon cured him. I consider it the best medicine made and can conscientiously recommend it to all who need a diarrhea or cholera medicine." J. E. Hare, Trenton, Tex. Twenty-five and 50 cent bottles for sale by Theo. C. Power, Druggist.

Last fall I was taken with a kind of summer complaint, accompanied with a wonderful diarrhea. Soon after my wife's sister, who lives with us, was taken in the same way. We used almost everything without benefit. Then I said, let us try Chamberlain's Colic, Cholera and Diarrhea Remedy, which we did, and that cured us right away. I think much of it, as it did for me what it was recommended to do. John Hertzler, Bethel, Berks county, Pa. Twenty-five and 50 cent bottles for sale by Theo. C. Power, Druggist.

Many who have noticed the beautifully lighted stores of Messrs. W. C. Miner, J. H. and J. C. Pecor have wondered what new style electric lamp they were using. The fact is, however, that the light is made from plain every day gas with the Welsbach incandescent burner and it can be fitted to any gas fixture in five minutes. The Welsbach consumes about half as much gas as the ordinary tip burner and gives nearly four times as much light and no flickering—absolutely a steady soft, white light that is grateful to the most sensitive eye. For prices and full particulars call on Ballenger the Jeweler.

Elder S. S. Beaver, of McAllisterville, Juniata county, Pa., says his wife is subject to cramp in the stomach. Last summer she tried Chamberlain's Colic, Cholera and Diarrhea Remedy for it, and was much pleased with the speedy relief it afforded. She has since used it whenever necessary and found that it never fails. For sale by Theo. C. Power, Druggist.
